

HOPE SCHOOL FOUNDATION

4TH Pinewood Derby

Join us Saturday, March 2, 2019 for another Pinewood Derby!

This is an opportunity for children (with the help of parents or others) to design, build, and race cars created from a simple pinewood block. Kits, which are included with the entry fee, provide each participant with a wood block, wheels, axles, basic directions, and rules. The derby is open to all grade schoolers through junior high children.

For anyone without woodworking tools, we will be hosting workshop nights in the small gym at Hope School on Feb 20 & 21 for crafting your cars. Just bring your ideas.

We will be having the races shortly after noon. Come early to get your car all ready to go. You will need to give yourself some time to weigh your car in and test it out on the track if you want. There will be lunch served, including pizza and drinks throughout the event. There will be a donation box available for the food and for Hope Foundation.

The entry fee is \$20 for each kit. Payment is due when you pick up the kits. Sign up begins December 17 and the deadline is January 4. Turn in your entry forms at the Hope School office.

Cars will be available for pick up January 31 at the Hope School office. Rules and more info will be provided with the car kits.
