See Reverse for Important Rules

Dear Parents of Volleyball & Soccer Players,

The following are league rules that I am asking you and players to strictly follow. The good name of Hope School is at stake (these rules mirror MHSAA rules – CCHS follows these too).

1. Each athlete is allowed only TWO fans (please don't ask for exceptions). Yes, soccer too! (No children running loose around the playground until and during the game).
2. All fans that come to the games MUST wear a mask (yes, the outdoor soccer games too).
3. Practice social distancing as much as possible. (Plenty of room at soccer games).
4. Players who carpool to away games are asked to wear masks to the opponents' school.
5. Players are to be in uniform before they leave for away games. (Only restrooms will be in use at game sites).

There are additional rules for players which coaches will communicate.

Thanks for your compliance.

Ron Koole, Athletic Director
